

## **ORFORD SAILING CLUB 'AFLOAT' FORM**

**When you go afloat please sign in and again when you come back.**

Though you may feel this is a burden it does allow the club to know if someone has not returned, particularly for Family Sailing when many boats go out. It also helps with keeping statistics which the RYA collect in order to get funding from Sport England

| HELM & CREW NAMES | BOAT NAME | CLASS | SAIL NO | DATE | OUT TIME | Returned TIME |
|-------------------|-----------|-------|---------|------|----------|---------------|
|                   |           |       |         |      |          |               |
|                   |           |       |         |      |          |               |
|                   |           |       |         |      |          |               |
|                   |           |       |         |      |          |               |
|                   |           |       |         |      |          |               |
|                   |           |       |         |      |          |               |
|                   |           |       |         |      |          |               |
|                   |           |       |         |      |          |               |
|                   |           |       |         |      |          |               |
|                   |           |       |         |      |          |               |
|                   |           |       |         |      |          |               |
|                   |           |       |         |      |          |               |
|                   |           |       |         |      |          |               |
|                   |           |       |         |      |          |               |
|                   |           |       |         |      |          |               |
|                   |           |       |         |      |          |               |
